28 Oct. 01. 5

Dear City Councillors:

As a Cambridge resident (and registered voter), who regards last month's terrorist attack as a criminal act, justifying international criminal justice action, and ~~not~~ an act of war, justifying military assault, I am dismayed that my city has not followed the example of Berkeley² - a city Cambridge is often compared to, whose city council voted to oppose the U.S. military action.

Sincerely,

Howard Weiss
