Boston,.....May 6,.....189 5.

Mr. Marshall N. Stearns,
44 Walla@e St., Cambridge.

Dear Sir:-

I enclose to you herewith a petition of all the owners on my side of Acacia St., for a sidewalk of stone flagging, which we offer to pay for in full, including both labor and material. I suppose as the city will have no expense in the matter, that there will be no difficulty in granting the petition at once.

We have not asked for an edgestone as the street is very quiet, only 300 ft. long, and there seems to be no need of an edgestone; we will turf over the edge of the sidewalk. If you can see that this goes through promptly, and will let me know when we have the right to go ahead with the walk, I shall be greatly obliged.

Yours truly,

Warren K. Blodgett
