

City of Cambridge

IN CITY COUNCIL

February 8th, 1921.

Ordered:

Notice having been given and a public hearing held, as provided by law, that the Cambridge Electric Light Company is hereby authorized to erect and maintain poles and support wires thereon for the transmission of electricity in the particular locations stated in the streets hereinafter named, subject to all existing and future ordinances of this City in relation to the location of poles and wires in its streets and ways, and also in reference to the granting of licenses and permits.

The height and dimensions of the poles on the various streets shall be satisfactory to the City Electrician, and the number of cross-arms, with the number of pins for wires on each cross-arm, and the height of the same, shall be as approved by him.

The locations herein named are severally indicated upon plan furnished by said company, dated Nov. 23, 1920. numbered 2073 and filed with the City Clerk.

Poles shall be of hard pine, square at the surface of the ground, and planed and chamfered or round chestnut poles, straight smooth-shaven, free from all blemishes, and painted.

The following are the public ways or parts of ways along which the poles above referred to may be erected and the number of poles which may be erected thereon under this grant.

Pole Location

Avon Street - one pole on the easterly side 177.5 feet northerly from Martin Street

In City Council Feb. 8, 1921

Adopted by the affirmative vote

of 9 members.

1. The first of these is the "American Philosophical Society," which was founded in 1742 and is the oldest of the kind in the world. It is a society of men of letters and science, and its members are elected by the society itself. It has a long and distinguished history, and its members have included many of the most prominent men of the country.

There are many other things which I have seen and heard of, but I cannot say more than what I have said.
