Mr. Walter J. Sullivan
City Hall
Cambridge, Massachusetts 02138

Dear Walter,

This is just a note to express my sincere thanks to you, to your lovely wife and to all who came from Cambridge for the Installation Ceremony on October 24, 1984, for the new Diocese of Palm Beach. I am deeply grateful to you also for bringing to me the key to the city on behalf of Mayor Leonard J. Russell. Please convey my deep gratitude to him for his thoughtfulness and great generosity. This, indeed, is a prized possession and shall be most favored among my possessions.

Take care of yourself. Please know that you have a most sincere remembrance in prayer and at the altar. I hope to see you sometime down here, especially in winter.

God bless in Christ
