

May 30, 1986

Mr. Robert Healy
City Manager
Cambridge City Hall
795 Mass. Avenue
Cambridge, MA 02139

Dear Mr. Healy,

We, the residents of Tremont Street (running from Broadway and Hampshire Street) would like to be included in the process that determines the installation of the new cement sidewalks throughout the City of Cambridge. We consider Tremont St. to be in a very unsafe state of repair.

We have tolerated many, many inconveniences since last Fall due to the installation of new water pipes, and the end result has left us with street and sidewalks that are both hazardous and a real eyesore! We are trying to upgrade our property and this is such a major set back.

Therefore, we would greatly appreciate your considering this as a PETITION from the undersigned for new sidewalks on Tremont Street.

Sincerely,

Donald C. McCusker

Donald C. McCusker
