MEMORANDUM

TO : Drew Neff, Forest City Rental
FROM: Nancy Baker, Associate Environmentalist, MEPA *NB*
DATE: March 12, 1985
RE : EOE # 5487, Mass Ave., Sidney Street Development

An Environmental Notification Form has been submitted for this project. According to Chapter 30, Section 62, the Secretary of Environmental Affairs must issue a decision regarding the significance of the potential environmental impacts of this project, and must determine whether an Environmental Impact Report should or should not be required to document these impacts and all feasible means to reduce damage to the environment.

Therefore, a consultation meeting will be held to receive advice and comment from agencies, officials and citizens regarding which environmental issues, if any, are significant on this project. Opinions as to the extent and significance of possible environmental impacts will be welcome. Similarly, those environmental impacts which appear not to be significant or should be easily resolved without inclusion in a report can be identified.

The meeting is scheduled as follows:

DATE : March 28, 1985

TIME : 10 AM

LOCATION: Community Development, City Hall Annex,, Inman and Broadway
Cambridge, MA 02139

The meeting agenda will include a brief presentation of the project by the proponent, with periods for questions, answers and open comment. Additional comments will be welcome in writing prior to April 1, 1985.

Questions on the meeting may be answered by contacting Nancy Baker of the MEPA staff at 727-5830.
