

City of Cambridge

3.

IN CITY COUNCIL

November 21, 1983

COUNCILLOR DANEHY

WHEREAS: Recently there appears to be an increase among children of elementary school age, with lice in their hair; now therefore be it

ORDERED: That the City Manager be and hereby is requested to forward a copy of this order to Dr. Melvin Chalfen, the City of Cambridge Health Commissioner, requesting that he outline for this City Council what procedures are in place to determine the following:

1. Has there been an increase of lice
2. What method has been heretofore been used to detect the presence of lice in a child's head
3. Are steps being taken to keep abreast of the problem
4. Do we have an adequate amount of people, including the School Department and/or Health Department, employed to cope with this potentially serious situation;

and be it further

ORDERED: That the City Manager be and hereby is requested to report to this City Council within one week as to the action taken pursuant to this order.

In City Council November 21, 1983.
Adopted by the affirmative vote of 7 members.
Attest:- Paul E. Healy, City Clerk.

A true copy;

ATTEST:-

Paul E. Healy, City Clerk.
