To His Honor the Mayor

And Aldermen, City of Cambridge.

Gentlemen

Several thousand dollars has been laid out in buildings on Rockingham Street, and there are now Eleven (11) families living on that street. The street is in such a condition that a team cannot pass through it with half a load of furniture - The sand is so deep around the man-hole at the lower end that it is impossible to haul a load through it - The street and sidewalks have never been graded - The undersigned respectfully ask to have it put in a safe and passable condition - (sidewalks and street)
