To the Honorable, the City Council of the
City of Cambridge:

CAMBRIDGE, MASS.

The undersigned respectfully pray that the Cambridge City Council make as a condition to granting Charles Stark Draper Laboratory a tax abatement a commitment from the Lab to establish an on-going group that would study the Cambridge community's needs (e.g., in medicine and mass transit), and specifically how the Lab could develop technology appropriate to meeting those needs. This condition would be imposed in light of the life-threatening and non-productive nature of the weapons development in which Draper Lab participates. We request that you hold a formal hearing on this matter on ~~Monday~~, May 11, 1981.
