In its response to City Council Order #7, dated 3/7/98, regarding providing a status report on police presence on Columbia Street, the Police Department did not state that it had conducted a survey. Councilor Toomey's order was specific to Columbia Street between Hampshire and Cambridge Streets. The response stated that the "members of the Bicycle Patrol Unit had canvassed the area in an attempt to determine if there were any problems the Police Department was unaware of and to determine the satisfaction (or lack of) with police presence in the area."
