Dear Members of the City Council,

Our family would like to express our sincere appreciation to all who made the Cambridgeport Community Day such a success and the dedication of the Old Morse Park to our son possible.

It is our hope that the park will be kept up not only by the city, but, by the community as well.

It may interest you to know that on that day I was approached by a family who currently owns a home in Cambridge but had considered moving elsewhere. They told me that this event had been the deciding factor in their choice to remain here, for where else could such a celebration of life be possible.

We, in turn, are grateful to our city government for its humanistic approach to politics. Thank you all.

Sincerely yours,

The Nunes Family
