My wife and I call to your attention the poor condition of the sidewalks on Manassas Avenue, a short curved street which runs from Concord Avenue at St. Peter's Church to Huron Avenue. We urge you to include the repair of these sidewalks in the street maintenance program for this fiscal year.

We are taxpayers whose home fronts on 9 Clement Circle and opens at the back on Manassas Avenue.

Thank you very much for your attention to this matter.

Yours sincerely,

Leon Eisenberg, M.D.
