Dear Mr. Healy:

I am writing to you as a person concerned with problems facing our community and the state who may have thoughts on possible solutions and better ways to approach these issues.

As you may be aware, the filing deadline for legislation for the 1984 session has been changed from the first week in December to the 2nd of November. If you have a concern that you think should be pursued through legislation or a specific bill that you would like filed, I would be happy to work with you with the aim of filing legislation.

In order to have the legislation ready to be filed by the 2nd of November, please respond to my office with your thoughts and concerns by the 17th of October.

In the meantime, if you have any questions, please feel free to call me. I look forward to hearing from you in the very near future.

Sincerely,

George Bachrach
