Re: Out of Town Newspapers Inc. for
permit to erect a sign at premises
0 Harvard Square

Dear Sir:-

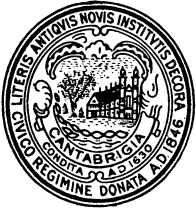

It is my understanding that the above petitioner has a lease with the City of Cambridge at the above referred to premises. Will you kindly inform this office whether or not there is any prohibition, restriction or condition in the lease with the City of Cambridge which would prohibit the issuance of a permit to the petitioner at this location.

I enclose a copy of the proposed sign at this location which will be erected on the roof of the building without projection over the public way. I am informed by the departments concerned that the dimensions of the proposed sign comply with the requirements of the building code and that the zoning ordinance does not prohibit the erection of the proposed sign at this location.

If the proposed sign is erected flush to the edge of the roof and does not extend over the public way is any action required by the City Council on this petition?

Very truly yours,

Paul E. Healy,
Temporary City Clerk.

Re: Out of Town Newspapers Inc. for
permit to erect a sign at premises
0 Harvard Square

Dear Sir:

Since the proposed sign does not extend over the
public way, no action would be required by the City Council.

In addition, there is nothing in the lease which would
prohibit the construction of the sign.

Very truly yours,

Philip M. Cronin
City Solicitor
