To The Honorable, The City Council:

In response to Awaiting Report Item No. 56, relative to a report on the schedule for repairs to the roadway in the area of Putnam and Western Avenues and River Street, Public Works Commissioner Ralph E. Dunphy reports the following:

The utility cover at the intersection of River Street and Putnam Avenue has been repaired.

Putnam Avenue (Western Avenue to River Street) is being proposed for resurfacing next year under the Street Preservation Offset Fee (SPOF) Contract due to recent work performed in that area by the telephone company.

Very truly yours,
