APPLICATION FOR CURB CUTS AND OPENINGS

CITY OF CAMBRIDGE

RECEIVED BY
OFFICE OF CITY CLERK
MAR 19 AM 10:01

INSTRUCTIONS:

In order to obtain permission for a curb cut or opening you must **first** get approval from the Department of Inspectional Services on the zoning requirements for off-street parking, including the cooperation of your immediate abutters.

To receive a review from Inspectional Services you must fill out Part I of the application. Be sure to draw your plot plan on Drawing 1, choosing the lot that represents your lot's position, i.e. corner or interior. You must also include a sketch of the proposed curb cut, including dimensions, on Drawing 2. You may then calculate the cost of the curb cut by using the formula based on your choice of surfaces. You must also include a signed abuttor sheet for each of your abutters: back yard, one on either side and the abuttor directly across the street.

Once you have gathered this information on the application, it should be submitted to:

Zoning Officer
Inspectional Services Department
831 Massachusetts Avenue
Cambridge, MA 02139

If the application is approved by Inspectional Services, it will then be sent on to Traffic and Parking, the Historical Commission and the Department of Public Works. If approved by Public Works, the application and backup will be sent to the City Council for their approval. Once the City Council approves, the curb cut can be installed. However, the full cost of the cut **must be paid** to Public Works **before** the work will start.

If, however, Inspectional Services denies your application you may then appeal to the Zoning Board of Appeals.
