## AN ORDINANCE

In amendment to an ordinance entitled "The Zoning Ordinances of the City of Cambridge".

*Be it ordained by the City Council of the City of Cambridge as follows:*

The Zone Map accompanying ordinance passed to be ordained September 26, 1979 entitled "The Zoning Ordinances of the City of Cambridge" is hereby amended as follows:

Amend Section 5.50, Special Dimensional Regulations, by inserting a new subsection 5.53 as follows:

5.53 In Residence A-1 and A-2 Districts only one structure containing a principal use shall be allowed on a lot.

Note: The purpose of this amendment is to ensure that all new construction of single-family detached dwellings in Residence A-1 and A-2 districts meet the intended lot and dimensional requirements for those districts. The ordinance currently allows more than one principal structure on a single lot. Therefore, as long as the minimum lot area per dwelling unit is met, it is possible to construct several single-family detached dwellings on a single lot through use of the condominium form of ownership. The proposed amendment requires that every new single-family dwelling in these districts meet all dimensional requirements including its own individual lot.
