To the Honorable, the City Council:

In response to City Council Order No. 3 of December 4, 1978, please be advised that steps are being taken currently as part of the acquisition and development of Inman Square as an open space. The first step in the acquisition of the site is the appraisal by two independent appraisers.

Design of the site improvements will be done by a landscape architect within the Community Development Department. Design Review meetings will be held with members of the community, official representatives of the Mid-Cambridge Neighborhood Association, abutting residents in general, and members of the Inman Square Business Association.

Very truly yours,

James L. Sullivan
City Manager
