JOSEPH E. CONNARTON
CITY CLERK

JOHN E. FLYNN
DEPUTY CITY CLERK

June 9, 1988

Dear Neighborhood Representative:

Please be advised that this office is in receipt of a petition from
John & Leslie Akula requesting a driveway at the
premises numbered 5 Forest Street.

The City Council has directed that all driveway petitions be submitted to the appropriate Neighborhood Associations where said curb cut would be made for their approval, prior to action by the City Council. Please indicate by return mail your approval or disapproval of said petition within ten days from the receipt of this letter. I have enclosed a self-addressed stamped envelope to facilitate your reply.

Your kind cooperation in this matter will be greatly appreciated by the members of the City Council.

Sincerely yours,

Joseph E. Connarton
City Clerk.

Name of Neighborhood Association: Agassiz Neighborhood Council

I hereby _____ approve _____ disapprove of said driveway petition.

Comments: Forest street, particularly at the
end closest to Mass Ave, is a very busy, congested
residential street that provides through access to
Somerville and a way to avoid Porter Square.
The Agassiz Neighborhood Council is concerned that

a curb cut not eliminate more than one on street parking space and that it not unduly inconvenience pedestrians, through traffic, and existing driveway access.

We recognize the need for the Akulas to assure a place for their car; if this can be accomplished without compromising the above mentioned concerns (taking the recent development on Forest Street and on Mars Ave/Forest St. into account), the council does not object.

Very truly yours,
Joely Gaudin
