

CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To Mr. John J. Curry, City Manager

Date Dec. 4, 1957

From William H. Crocker, City Electrician

Reference

Subject Street Lighting - Trail Street

With foliage on the trees, it would be very difficult to properly light the above street, without very heavy tree trimming.

In its present condition, it is still difficult to light, because of pole locations.

My suggestion would be to talk to the interested parties, and see if some solution to their particular problem can be worked out.

Very truly yours,

WHC/O
