The Honorable City Council
Cambridge City Hall
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Members of the Cambridge City Council:

I am writing in response to City Council Order No. 5 of February 24, 1986, asking my support for a bill filed by Senator Keating to provide safeguards in the process for licenses to carry firearms.

As you know, I have been a leading sponsor of legislation to increase handgun controls, and a leading opponent of loosening restrictions on obtaining firearms. Since I feel that this bill is a step in the direction of fair controls over firearms, I intend to support it when it comes for a hearing and later when it comes before the Senate.

As always, thank you for the sense of the City Council on the important issues facing the Legislature, and be assured of my active support for this bill.

Sincerely,

George Bachrach
State Senator
