In Metropolitan District Commission
Boston, Mass., August 31, 1961

CAMBRIDGE, MASS.

ORDERED that, on petition of New England Telephone and Telegraph Company dated August 7, 1961, for location shown on plan of New England Telephone and Telegraph Company dated June 7, 1961, and indexed accession number 39956X, for approximately seventy (70) feet of underground conduit, for the transmission of intelligence by electricity, in Monsignor O'Brien Highway, from present Manhole 26/195 at Cambridge Street, northeasterly to East Street, Cambridge, said Monsignor O'Brien Highway being under the care and control of this Commission, said location having been found by order of the Department of Public Utilities to be required by public convenience and necessity, said plan and petition being on file in the office of this Commission, a hearing on said petition having been given by this Commission on Thursday, August 31, 1961, at 2:30 P.M., at the office of the Commission in Boston, of which hearing due notice was given to all persons interested of the time and place by publishing a copy of said petition and the order of notice issued thereon by this Commission in a newspaper published in the City of Cambridge, being the city in which the location petitioned for would lie, the first publication having been made at least fourteen days prior to the date of said hearing, and it appearing, in the opinion of this Commission that public convenience and necessity so require, said New England Telephone and Telegraph Company is hereby granted location for said conduit in said Monsignor O'Brien Highway, to the extent and upon the terms, conditions and obligations hereinafter specified, the same being such as the public necessity and a due regard for the rights of the Commonwealth require, namely:

1. The New England Telephone and Telegraph Company shall

conform to all provisions of law applicable to the exercise of the rights and performance of the work under this grant and to the rules and regulations of the Metropolitan District Commission.

2. The New England Telephone and Telegraph Company shall do the work of installing said conduit in the location hereby granted subject to the approval of the Director of Park Engineering of the Commission as to time, manner and location and in all other respects.

3. Said New England Telephone and Telegraph Company shall indemnify and save harmless the Commonwealth of Massachusetts and the Metropolitan District Commission from any damage it or they may sustain or be required to pay arising out of the exercise by said Company of the rights hereby granted or by reason of any negligence of said Company or any of its employees in connection with the work done hereunder.

4. Said New England Telephone and Telegraph Company shall protect and maintain all trees, drainage or water pipes, and all appurtenances or structures either above or below the surface of the ground over which this location lies, and upon completion of the work shall restore the surface of the ground to the condition in which it was at the time of this grant and in a manner satisfactory to said Director of Park Engineering of the Commission, and shall maintain the surface of the ground and the location throughout in such condition to the satisfaction of said Director.

5. The New England Telephone and Telegraph Company shall place and maintain proper barriers at all times and from the beginning of twilight through the whole of every night sufficient lights to protect the public from injury or damage during the progress of the work under this grant or during repairs upon said conduit, and work on the location which

may hereafter become necessary.

6. No work shall be done under this grant without first obtaining a permit therefor from said Director of Park Engineering and subject to conditions imposed by him.

The above is a true copy of order passed at a Meeting of the Metropolitan District Commission, held in Boston on Thursday, August 31, 1961, as appears by record in this office.
