JAMES L. SULLIVAN
City Manager

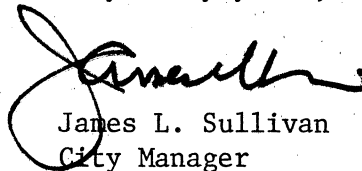

November 20, 1978

To the Honorable, the City Council:

With respect to Awaiting Report Item No. 11 (City Council Order No. 9 of November 13, 1978) requesting the City Manager to assemble a committee of volunteer citizens to work toward bringing Cable TV into the City of Cambridge, and that said committee investigate the advantages and disadvantages of Cable TV, please be advised that I will concur with the Council Order.

It is my intention to communicate with the public-at-large to advise them of the order sponsored by Councillors Vellucci and Sullivan, and ask that interested citizens of Cambridge forward to this office their resumes and interest in serving on such a committee so that we will be able to avail ourselves of the talents existing within the City of Cambridge. I will then screen the resumes of those who are interested so that we may have a representative advisory board to look into this important matter.

Very truly yours,

James L. Sullivan
City Manager
