On behalf of my Association, I take great pleasure in sending you a copy of the First Annual Report of the Central Square Business Association (1996).

I am sure that you will find it informative, interesting, tinged with a bit of nostalgia, and a definite indication as to the drive and energy of many people who are determined to build and revitalize Central Square.

We trust that you will share with us our pleasure in the Report and continued interest in re-developing Central Square.

My best wishes.

Sincerely,

Carl F. Barron
