WORKSHOPS

REGULATIONS PERTAINING TO CENSUS OF SCHOOL AGE CHILDREN

On June 25, 1974 the Massachusetts Board of Education adopted regulations holding each school committee responsible for a door-to-door census of all residents age three through twenty-one. This census is to be conducted annually, starting in January 1975. The Department of Education is holding a series of informative workshops about these regulations, with the object of answering questions and clearing up misunderstandings. All interested persons are invited to attend. Copies of the regulations and of all related forms will be available.

The workshops will take place at the dates and addresses below; each will start at 9:00 a.m. and will run until about 1:00 p.m. If you do plan to come, please fill in your name and address below, circle the workshop you plan to attend, and return this sheet to:
