Dear Councillor Toomey,

*C.T.J.
Councillor Sullivan
Congrats
① to Congratulate kids &
② to thank Children's Museum of
Boston.*

Recently the Cambridge Public Schools Science Department was fortunate enough to obtain an interactive environmental exhibit from the Children's Museum of Boston. This exhibit will be placed on Water Department Land, at Fresh Pond, and will be available to enhance the environmental curriculum for all Cambridge students. We consider ourselves very fortunate in procuring this donation and look forward to using it in the future.

We are extremely grateful to both Mike Nicoloro of the Water Department and Ralph Dunphy and Richard Medieros of the Public Works Department for their support and help in providing the man power to transport and store such a large exhibit. With their cooperation, the students of Cambridge have gained what we anticipate to be an extremely valuable learning opportunity.

Sincerely,

Melanie Barron
