To The Honorable, The City Council:

In response to Awaiting Report Item No. 21, regarding enforcement of cars and trucks parking on the sidewalk on Story Street, Police Commissioner Perry L. Anderson reports the following:

At approximately 8-14 Story Street, there is space between the sidewalk and the building. Motor vehicles park on this private property next to the building. There are curb cuts along this area which allow motor vehicles to enter, proceed towards the building and then turn on to the private property without requiring the motor vehicles to drive down the sidewalk.

A check with the Traffic and Parking Department reveals that yellow markers are painted along the property line which Parking Control Officers use to determine if a motor vehicle is in violation. The Police Department will continue to monitor this area for violators.

Very truly yours,
