Congratulations Congratulations to Janice Fitzgerald our director of Liturgy and Music who graduated this past week from the Master Teacher Program of the Archdiocese of Boston's post graduate course on the church and the effect of the new Universal Catechism, and fourteen week intensive course given by Rev. Alfred Mc Bride. Cardinal Law's representative for the implementation of the New Catechism in the Archdiocese of Boston.

Janice also completed an extensive theological and liturgical course sponsored by the Office of Pastoral Ministry, on December 8, 1993. We applaud her accomplishments and hope her newly acquired learning and expertise will continue to help us worship and pray together well as a parish family of faith.

Thoughts on Advent Advent is a season of joyful expectation- a time to reflect, to prepare for the birth of Jesus, and to prepare for the coming of God at the end of time. The Advent wreath invites us to reflect on the four weeks of prayer and reflection set aside by the church to prepare for the coming of Jesus. It is circular because of the symbolism related with eternity; no beginning, no end. It is made of evergreens because it symbolizes life eternal. The color purple is reflective in nature; the color rose or pink is joyful. Another symbol of Advent is the Jesse tree which is traced back to 12th century, France. It traces Jesus' family history in symbol back to Jesse the father of King David. It also contains Old Testament and New Testament symbols pointing to Jesus.
