

Councillor Francis Duehay
Chairman, Finance Committee
Cambridge City Council
City Hall
Cambridge, Ma.

March 29, 1974

Dear Councilman Duehay,

The Cambridge Health Care Policy Council, composed of elected representatives from the Cambridge neighborhoods served by the Neighborhood Health Station, Riverside, Cambridgeport, East Cambridge, Donnelly Field, and North Cambridge, requests that it receive notice of the time and place of the budget hearing relating to the Health and Hospitals section of the budget.

If a specific time has not been set for this particular section of the budget, we would request that it be held on the 11th of April, in the evening.

We have concerns regarding the funding of the Neighborhood Health Station Program and would appreciate the opportunity to express them at the hearing.

We thank you for your attention and hope to be hearing from you soon.

Sincerely,

Dorothy Lee
