Dear Mr. Healy:

On behalf of the MBTA's Station Name Review Committee, I would like to inform you that a formal process for accepting and evaluating proposals to change or retain names of certain MBTA stations has been established by the MBTA Board of Directors. For your information, I am enclosing a copy of the public notice scheduled to appear in various local newspapers during February and early March. As the public notice indicates, anyone interested in changing or retaining the existing station name of one of the stations included in the review process may contact the MBTA to obtain the necessary forms. The deadline for submission is March 28, 1985.

If you have any related questions, please feel free to call me at 722-5975.
