Mr. Jonathan Myers
City Council
City Hall
Cambridge, MA 02139

Dear Councillor Myers:

We, the undersigned, would appreciate your introduction of a resolution to the Cambridge City Council naming and dedicating the children's park between Brookline and Pearl Streets on Putnam Avenue in memory of the late David B. Nunes.

As you know, David was the son of Tony and Gail Nunes who live at 515 Putnam Avenue. He passed away suddenly last spring at the age of ten. He was a lifelong resident of Cambridge and spent many hours playing at this park. He was active in Cambridge Youth Soccer, Cambridge Hockey, Cambridge Little League, the Cambridge Performance Project, and many other youth activities.

We think this would be a fitting tribute to David and his memory. Thank you for your help.

Sincerely,

Arthur P. Conf. 6 Agassiz St.
