

PETITION

To reduce the noise in the Peabody Elementary School Playground:

Basketball and radios make noise at all hours in the neighborhood. It is proposed that:

1. Lights, currently burning all night, be turned off at 9:00 P.M. This would also save on electricity.
2. Signs be posted prohibiting basketball playing after 9:00 P.M., and before 8:00 A.M. on weekdays, and before 9:00 A.M. on weekends.
3. That noise and radio levels be reasonable at all times
