E. Amend Section 4.21.h to read as follows:

An accessory building shall not occupy more than 150 square feet of the area of the lot. No side of an accessory building shall exceed 18 feet in length. An accessory building shall not be located nearer than ten (10) feet to the principal building or nearer than five (5) feet to any side or rear lot line or nearer to the front lot line than the minimum setback in the zoning district. No lot may contain more than one accessory building.

F. Amend Section 4.21.k to read as follows:

No accessory building shall be constructed except at natural grade, nor may any accessory building exceed fifteen (15) feet in height above mean natural grade.

G. Add a new Section 4.21.o, reading as follows:

o. An ornamental pool shall be considered an allowed accessory use, subject to the following conditions:

(1) With regard to the ornamental pool itself:

(a) Its height shall not exceed two (2) feet above mean natural grade;

(b) It shall not exceed two (2) feet in depth; and

(c) It shall otherwise comply with the provisions of this section 4.21 with regard to the dimensions of accessory buildings.

(2) With regard to any structure or structures contained in the ornamental pool:

(a) The total area of said structures shall not occupy an area in excess of 15% of the area of the ornamental pool; and

(b) They shall otherwise comply with the provisions of this section 4.21 with regard to the dimensions of accessory buildings.

H. Delete section 5.22.3 as the zoning ordinance is numbered prior to the change in item H, below.

I. Insert a new Section 5.22 reading as follows, and renumber the existing Sections 5.22 and following accordingly.

5.22 Minimum Standards for Yards:

5.22.1 Office, Residence and Open Space Districts.

(1) Setbacks.

Buildings shall comply with these yard requirements by being set back above and below ground.

(2) Green area — general.

Three of the yards on a lot shall consist exclusively of green area as defined in section 2.000. At a minimum, green area setback shall consist of permanently maintained densely planted
