

Cambridge, May 4th 1874

To the Honorable, the Mayor and Aldermen,
of the City of Cambridge

The undersigned respectfully prays that the betterment of \$225 on her lot, corner of Garden & Mason Street be abated. for the reason that the City by rounding off said corner in a very long sweeping curve have greatly injured the shape of the lot for building purposes and obliged her to pay double price for the new curved curb stones laid around said curve.

She asks to have all the betterment upon the curved part of her lot abated - and laid only upon the straight unaltered portion on Mason Street
