DEPARTMENT OF PUBLIC UTILITIES

October 20, 1977

D.P.U. 18810

Investigation by the Department upon its own motion to inquire into the necessity of promulgating regulations under the provisions of Chapter 164 of the General Laws, Section 76 and 76C as follows: Regulations Requiring Private Investor-owned Electric Companies Operating within the Commonwealth to Adopt Rate Structures Based on Peak Load and Time Differential Pricing and Related Costing Methodologies.

NOTICE OF PUBLIC HEARING

The Massachusetts Department of Public Utilities hereby proposes regulations to be promulgated pursuant to the provisions of General Laws, Chapter 30A, section 2; Chapter 164, sections 76 and 76C.

The subjects and issues covered by the proposed regulations concern all private-investor-owned electric companies ("companies") operating within the Commonwealth.

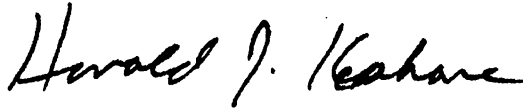

The regulations order the companies to adopt peak load pricing and load management. Copies of the regulations are available at the Department of Public Utilities and are on file with the Secretary of State.

Presentation of data, views, or arguments relating to the above-referred to proposal may be submitted in oral or written
