Communication
of A. J. Coolidge
Sidewalk on
Main Street.

Sept. 25. 1872.

Cambridge Sept. 28. 1872
To the Mayor & Aldermen of
the City of Cambridge
Gentlemen,

I have been informed that
the petition of myself and others for a brick
sidewalk from Putnam to Magazine on the
South side of Main Street failed on
account of certain difficulties about
the street grade on Main Street between
Vernon St and the City Hall.

I would respectfully suggest
that so much of the prayer of the
petitioners as relates to said side-
walk from Putnam to Vernon St.
be granted.

Very Respectfully
A. J. Coolidge

In House of Aldermen. Sept., 25th/72
Referred to the Committee on
Roads & Bridges, in the Parl- of
this House.

Attest: Martin A. Jacobs, Secy. Clk.
