Reference

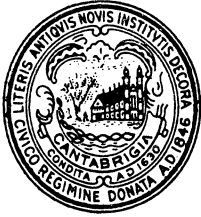

Subject City Council Order No. 8 of December 15, 1980 "Back Up Caused
By The Cambridge Trust Company's Drive Up Window"

An investigation was made of the area of Dunster Street and Massachusetts Avenue with a view toward eliminating the back-up caused by a line of cars waiting to be serviced at the bank drive up window.

After viewing this area and meeting with the bank officials and the police department, it was decided that the bank hire a police detail to direct traffic in and out of the area. We will be watching this area to see if this solves our problem.
