IN BOARD OF ALDERMEN,
June 11, 1895.

Whereas, In the opinion of this Board, the public necessity and convenience require that Chestnut street, a private way, so-called, between Brookline street and Sidney street, should be taken and laid out as a public way of the City of Cambridge, and that the grade thereof should be established,—said Chestnut street being bounded and described as follows, viz:—

Beginning at a point in the northeasterly line of Chestnut street at its intersection with the southeasterly line of Brookline street; thence running southeasterly along the northeasterly line of Chestnut street, about four hundred and one and ninety-two hundredths (401.92) feet to its intersection with the northwesterly line of Sidney street; thence running southwesterly along the northwesterly line of Sidney street, about forty (40) feet; thence running northwesterly along the southwesterly line of Chestnut street parallel to and forty (40) feet distant southwesterly from the northeasterly line of Chestnut street, about four hundred and two and two hundredths (402.02) feet to its intersection with the southeasterly line of Brookline street; thence running northeasterly along the southeasterly line of Brookline street, about forty (40) feet to its intersection with the northeasterly line of Chestnut street at the point of beginning. Containing about sixteen thousand and seventy-eight and eight-tenths (16,078.8) square feet, more or less.

It is therefore hereby

Ordered, That due notice be given to the owners of lands abutting on said Chestnut street, as hereinbefore described, and all other persons interested, by a delivery of a copy of this order of notice in the manner prescribed by law and by publication in the newspaper called the Cambridge Press, that this Board intends to lay out the street before mentioned, by taking a portion of their land and laying out the same as a public way of the City of Cambridge, and that TUESDAY, the 25th day of June current, at 8.30 o'clock P. M., is assigned as the time for hearing any objections which may be made thereto.
