Mr. Robert Healy
City Manager
City of Cambridge
Cambridge, MA

Dear Mr. Healy,

I wish to thank you on behalf of The Cambridge School Department for your invaluable assistance in having Public Works plow and remove snow from around our fourteen elementary schools and high school. The response after each snowstorm from Public Works has been timely and effective.

In addition, on Friday, February 11th, the day of a major snowstorm, our buses were running very late and a serious problem would have existed if students were exiting buses without crossing guard assistance.

As always, your response was an immediate one. You sought the assistance of the Cambridge Police Department and prevented a potentially dangerous situation from occurring. Furthermore, you personally stayed with the situation throughout the afternoon and into the early evening until each and every student was safely at home with their families.

I have received numerous calls complimenting the care and compassion shown for our students through the cooperative actions of the Cambridge School Department, the Cambridge Police Department and the City Manager's Office.

Cambridge is indeed fortunate to have a City Manager who goes above and beyond his scope of responsibilities to get the job done.

Again, thank you!

CC Perry Anderson

Sincerely,

A handwritten signature in cursive script that reads "Mary Lou McGrath".
