City Council
Cambridge, Mass.

Gentlemen,

I am just delighted that you have declared Cambridge an open city for illegal immigrants, and all other sorts of scum.

Maybe some of our welfare scum will choose to move to your lovely town, thus helping to save our city from their crime, their drugs, their block-busting, and all their other endearing qualities.

I'll give you about 6 months before Cambridge goes down the tubes. Thanks again; better you than us.

Yours truly,

John C. Theisen
