Dear Mayor Russell:

We bring you greetings from the MIT Office of Educational Opportunity Programs and the MIT/Wellesley Upward Bound Program in particular.

As you may or may not be aware, MIT was awarded its first Upward Bound grant from the U. S. Department of Health, Education and Welfare in 1966. In light of this fact, we are pleased to announce that 1996 marks the 30th anniversary of our Program.

In an effort to formally acknowledge our 30-years existence, a **30th Anniversary Reunion Celebration/ Luncheon** has been scheduled for Saturday, December 14, 1996 from 12:00 noon to 2:30 p.m. in the Sala de Puerto Rico room of the MIT Stratton Student Center.

We are anticipating the return of former Program Directors and staff members, Program alumni, prominent Program alumni such as NBA star Patrick Ewing as well as the involvement of current participants, their parents and Cambridge School Department personnel. Additionally, Dr. Charles M. Vest, President of MIT, Ms. Diana Chapman-Walsh, President of Wellesley College, and other MIT and Wellesley College officials have been asked to participate.

On behalf of your constituents, more specifically the present participants, parents and alumni of the MIT/Wellesley Upward Bound Program, we write to ask for your participation in this celebration. Additionally, we have invited Councillor Reeves and asked him to inform us of the process for obtaining a proclamation, recognizing the 30th anniversary of the Program, from the Cambridge City Council. Your assistance in this effort would be greatly appreciated.

Lastly, we apologize for the tardiness of this request and are mindful of your busy schedule. However, we hope that you will be able to share this special occasion with us. We look forward to your response to our request and stand ready to meet with you as necessary as we finalize arrangements.

We thank you for your consideration of this matter.

Sincerely,

Ronald S. Crichlow
Director, Educational Opportunity Programs
