To Mayor Reeves and the Cambridge City Council:

March 3, 1995

It is my pleasure to introduce WHRBNews. Beginning March 5, WHRB will be broadcasting a news program devoted to current issues at Harvard, in Cambridge, and in the nation and the world.

WHRBNews will air Sundays at 1 p.m. on 95.3 FM.

To my knowledge, WHRBNews will be the only radio program with regular in-depth coverage of Cambridge. We will send reporters to every Cambridge City Council meeting, for example, and will broadcast a calendar of upcoming community events every week. Thus we hope to fill a longstanding gap in quality local radio programming with WHRBNews.

The format of the program will include headlines, features, interviews, panel discussions, Harvard sports, Cambridge arts briefs, and a calendar of upcoming events. We will also broadcast speeches from the Forum at the Institute of Politics on alternate weeks.

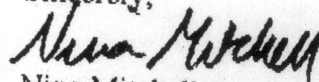

If you would like to let us know about a media event, there are several ways of contacting us.

For urgent messages or events taking place immediately, you can call the station at 495-4818, or fax us at 496-3990. Please send long-term messages to:

News Director

We are very excited about this program, and we hope you will tune in this coming Sunday. Please do not hesitate to contact us if you have any questions.

Sincerely,

Nina Mitchell
News Director
