In a recent conversation with Jim Conry, Director of Management Services for the Cambridge Public Schools, I was informed that the School Committee has requested that the new procedures for use of school building space by community groups be reviewed and resubmitted for the Committee's consideration. Mr. Conry will be submitting a modified plan to the School Committee on November 5th and it is anticipated that the modifications will address many of the issues recently raised.

I will forward a copy of the revised policy once it is adopted by the School Committee.
