Dear Mr. Healy:

In response to your recent request that the MBTA consider the feasibility of installing a bus shelter opposite the Mount Auburn Hospital, our staff visited the site and contacted the abutter of the proposed installation.

We found that the location is not suitable for a bus shelter, because of an underground transformer vault and other obstructions. In addition, the abutter and other neighbors objected to the proposed site. I am enclosing a copy of correspondence with Attorney Joan E. O'Connor who submitted names of several residents who signed a petition opposing the shelter.

For these reasons, we must report that a bus shelter opposite the Mount Auburn Hospital is not feasible. Thank you for bringing this matter to our attention.

Sincerely,

John J. Haley, Jr.
