Notes of Decisions

1. In general

The proposed amendment of c. 15, § 20A, to permit the president of a state college to serve on the board of trustees of state colleges would conflict with this section which implicitly prohibits a trustee from holding the office of president during his or her term. Op.Atty.Gen., Sept. 9, 1975, p. 100.

§ 25. Suspension of persons under indictment for misconduct in office; notice; compensation and fringe benefits; temporary replacements; reinstatement

An officer or employee of a county, city, town or district, howsoever formed, including, but not limited to, regional school districts and regional planning districts, or of any department, board, commission or agency thereof may, during any period such officer or employee is under indictment for misconduct in such office or employment or for misconduct in any elective or appointive public office, trust or employment at any time held by him, be suspended by the appointing authority, whether or not such appointment was subject to approval in any manner. Notice of said suspension shall be given in writing and delivered in hand to said person or his attorney, or sent by registered mail to said person at his residence, his place of business, or the office or place of employment from which he is being suspended. Such notice so given and delivered or sent shall automatically suspend the authority of such person to perform the duties of his office or employment until he is notified in like manner that his suspension is removed. A copy of any such notice together with an affidavit of service shall be filed as follows: in the case of a county, with the clerk of the superior court of the county in which the officer or employee is employed; in the case of a city, with the city clerk; in the case of a town, with the town clerk; in the case of a regional school district, with the secretary of the regional school district; and in the case of all other districts, with the clerk of the district.
