Sir:

This is to inform you that on 9-27-82 I stationed myself on Channing St between 1030-1145 AM and 215-330 PM monitoring radar for speed violations. On only 2 occasions during this time did I observe M/Vs traveling over 30 MPH (one at 34 MPH the other at 25 MPH). Both operators were verbally warned concerning the speed. One operator was in fact a resident on Channing St.
