CITY OF CAMBRIDGE • EXECUTIVE DEPARTMENT

Robert W. Healy, City Manager Richard C. Rossi, Deputy City Manager

June 4, 2001

To The Honorable, The City Council:

In response to Awaiting Report Item No. 01-189, which requested a report to the City Council before any action was taken by any state, city or private agency with relation to the geese, Animal Commission Director Mark McCabe reports the following:

At this time, there are no plans being considered by any state, city or private agency concerning the geese and the geese meadow. The M.S.P.C.A. Law Enforcement Division is continuing its investigation into the deaths of the two geese during the weekend of April 14th. The Cambridge Animal Commission will continue to work with the M.S.P.C.A. and the State Department of Fishery and Wildlife and will report any changes to this investigation.

Very truly yours,
