Subject : Council Order #13 - November 19, 1979 - Councillor Crane
Pollution Problem at Fresh Pond

Please be advised that the drainage pipe leading to Little Fresh Pond is still plugged with no pollution entering Fresh Pond. The Firm of CE Maguire, Inc. the City's sewer consultants, as part of the Alewife triangle development project, are t.v. inspecting the sewer lines in the Concord Avenue area. Upon completion of the report and subsequent construction, the Little Fresh Pond pollution problem will be permanently solved.
