To the

Honorable the Board of Aldermen of the
City of Cambridge:-

I return herewith without my approval, an order of your Honorable Board, adopted at its meeting on February 27th, increasing the rate of pay of patrol-wagon drivers from \$2.50 to \$3.00 per day.

There is not sufficient funds in the appropriation to meet this proposed increase of salary at this time, and I feel, at any rate, that it is a matter that should be left for consideration by the incoming City Council, who should give this matter, together with other similar questions, that have arisen, due consideration, so that whatever might be determined upon will be provided for in the annual department appropriations when made at the beginning of the year.

Respectfully,

Lawrence Perry

Mayor.
