Dear Mayor Sullivan and fellow Councillors:

On behalf of my family I am writing to thank you for your thoughtfulness in honoring my mother Josephine Bonislawski with a City Council Resolution.

Today would have been her 83rd birthday. She loved Cambridge and I know she would have been happy to be remembered in such a kind way.

For all its worldliness, one of the things that makes Cambridge so special is that it still retains the heart and character of a small New England town.

Again, on behalf of my brothers, my wife Darleen, our children Michael and Jennifer, and many friends and relatives, I thank you.

Sincerely,

Michael Bonislawski, Sr.
